

English >> Vietnamese experienced linguists required

Requirements:

- Bachelor of Vietnamese language;
- Native English speaker;
- Having translation experience (Vietnamese >> English) for at least 2 years;
- Having knowledge of using one of CAT translation support tools (Trados, MemoQ, Across) is an advantage;
- Workload according to project, however when assigned/accepted the job, the linguist must ensure a minimum volume:
 - translation daily of 1,000 words
 - revision/proofreading daily of 2,000 words

Payment Terms:

- Revision/proofreading rates: Negotiable;
- Payment cycle: on the first week of the following month for tasks completed before 24th every month via paypal;

We ensure the payment on-time to maintain our long-term collaboration with you.

To apply:

- Please email your updated CV along with your expected rates to native.linguist@outlook.com
- Subject (email) please designate as: “*Vietnamese >> English linguist – Your name*”
